

INITIATIVE MEASURE TO BE SUBMITTED DIRECTLY TO THE VOTERS

The city attorney has prepared the following title and summary of the chief purpose and points of the proposed measure:

A MEASURE THAT WOULD AMEND THE OAKLAND CITY CHARTER TO: (1) AUTHORIZE ELIGIBLE OAKLAND RESIDENTS TO VOTE TO DETERMINE AND ALLOCATE THE CITY OF OAKLAND'S BUDGET; (2) CREATE THE DEPARTMENT OF THE PEOPLE'S BUDGET PROGRAM; (3) ESTABLISH ASSEMBLIES IN NEIGHBORHOODS AND THE ELECTION OF DIRECTORS OF THE ASSEMBLIES; AND (4) CREATE CITYWIDE COMMITTEES TO MAKE BUDGET ALLOCATION PROPOSALS.

This measure amends City Charter section 801, which authorizes the City Council to adopt and allocate the City's budget, and adds sections 813-823 to City Charter Article VIII to create a process for certain Oakland residents to determine the City's annual budget ("Residents' City Budget Vote"). The Measure defines "Eligible Budget Voter" as an Oakland resident who is 16 years or older who attended one of ten "Neighborhood Assemblies" during the past 12 months. Eligible Budget Voters would vote on (1) allocation of General Purpose Funds, (2) allocation of Special Purpose Funds (funds other than those in the General Purpose Fund), and (3) departmental program expenditures. The votes would be tabulated according to a formula in the measure.

This measure would create the People's Budget Program, a new City Department, to oversee the budget processes established by this measure. This measure creates a People's Budget Program Fund ("Fund") and states that the Fund shall be \$11.2 million for the first five years, adjusted annually for inflation. The Fund shall be used to pay for (1) the salaries and benefits of People's Budget Program staff including one "Coordinator" and two to four full-time "Organizers" for each City Council District, (2) "Neighborhood Assembly" budgets, (3) training and leadership development for "Directors", "Organizers" and "Coordinators", (4) monthly stipends for "Directors," (5) expenses including rent and mailing, and (6) the costs of the City Budget Vote election. After the first five years, the Fund shall be allocated as provided by the measure.

This measure would create: 1) "Citywide Committees" focused on specific agencies or departments of the City or on specific subject matters, 2) "Neighborhood Assemblies" defined as a body of Oakland residents from a geographic area composed of approximately 2,500 to 5,000 people with three to five directors, and 3) a "Congress of Directors", an executive board of the People's Budget Program, to oversee program personnel, the program funds, and the City Budget Vote. The Congress of Directors is comprised of all Neighborhood Assembly Directors. Citywide Committees may include representatives from the appropriate City agency or department and would receive budget allocation proposals from Neighborhood Assemblies and create budget proposals for the use of special funds. Neighborhood Assemblies will elect delegates to serve on the Citywide Committees.

This measure would require that each City Council District meet an Eligible Budget Voter threshold before the City Budget Vote can occur. If this threshold is not met, the measure requires that the City Council decide the budget.

Capitalized terms used herein are defined in the measure.

PETITION FOR SUBMISSION TO VOTERS OF PROPOSED AMENDMENT TO THE CHARTER OF THE CITY OAKLAND

To the city council of the City of Oakland:

We, the undersigned, registered and qualified voters of the State of California, residents of the City of Oakland, pursuant to Section 3 of Article XI of the California Constitution and Chapter 2 (commencing with Section 34450) of Part 1 of Division 2 of Title 4 of the Government Code, present to the city council of Oakland this petition and request that the following proposed amendment to the charter of Oakland be submitted to the registered and qualified voters of Oakland for their adoption or rejection at the next statewide general, statewide primary, or regularly scheduled municipal election date pursuant to Section 1200, 1201, or 1301. The formation of the People’s Budget Program shall follow the timeline outlined in Table 2. In the event of changes to City Council Districts, the same process shall be used, limited to the Districts and Neighborhood Assemblies affected by the changes.

(b) Inaugural Election of Directors

Initially, the Directors for each Neighborhood Assembly shall be Eligible Voters and shall be chosen as follows: candidates who receive the first and second most votes will be appointed for a three year term; candidates who receive the third, fourth, and fifth most votes will be appointed for a two-year term. Subsequent elections shall take place pursuant to the procedures set forth in Section 821(5)(a).

Section 818. Staff for People’s Budget Program

People’s Budget Program staff are City staff and entitled to all the rights and responsibilities appertaining thereto. Classifications for the staff positions set forth in Section 818 shall be created as expeditiously as possible; in lieu of a new classification, the closest existing job classification(s) may be used temporarily until the actual classification is created, and City staff shall work expeditiously to

recruit and fill positions, so as not to impede the effective and timely implementation of Sections 813-823.

(1) Salaries and benefits

The City shall make appropriate changes to its labor contracts to incorporate the new positions. The employment requirements stated here shall remain in effect until the City has done so.

(2) Coordinators

One Coordinator shall be hired per City Council District. At the time of hire, Coordinators must have been residents of the district in which they are hired for a minimum of three hundred sixty-five (365) consecutive days. Coordinators shall promote the People’s Budget Program to the public, serve as liaisons between Neighborhood Assemblies and City officials, hire and oversee the work of Organizers, support the Directors, schedule and facilitate Congress of Directors meetings at the request of Congress of Directors, administer Neighborhood Assembly Budgets set forth in Section 821.6 to Directors within their district, manage records of Eligible Budget Voters, and ensure that educational and informational materials are appropriately and sufficiently prepared for and gathered from Neighborhood Assemblies.

(3) Organizers

Organizers support the Neighborhood Assemblies within their district by performing outreach within their district, with a special emphasis on Neighborhood Assembly Areas with lower rates of participation in the Program. For the first three (3) years, Coordinators shall hire the full-time equivalent (FTE) of twenty-one (21) Organizers. Council Districts 5, 6, and 7 shall have four (4) FTE Organizers. Council District 3 shall have three (3) FTE Organizers. Council Districts 1, 2, and 4 shall have two (2) FTE Organizers. In subsequent years, hiring decisions are made by the Congress of Directors pursuant to Section 819. Organizers are hired for one-year-long contracts. At the time of hire, Organizers must have been residents of the district in which they are hired for a minimum of thirty (30) consecutive days. Organizers may be deployed outside their district. Organizers’ contracts are automatically renewed unless, at a year-end review, the Congress of Directors recommends against rehiring. In such cases, Organizers must reapply for the position.

Section 819. Congress of Directors

The executive board of the People’s Budget Program is the Congress of Directors. The Congress of Directors is made up of all Neighborhood Assembly Directors. It shall meet at least twice a year. All Directors shall attend or send an alternate. Meetings shall be open to the public.

Table 3

Position	Annual Salary (equiv.)	Annual Benefits	FTE (%)
Coordinators	\$71,826 - \$88,187	equivalent to \$32,000	100%
Organizers	\$65,747 - \$80,730	equivalent to \$31,000	100%

of the People’s Budget Program; 4) overseeing the City Budget Vote; and 5) facilitating the exchange of information between City agencies/departments and the Neighborhood Assemblies. The Congress of Directors may form committees to perform these functions. Such committees shall be created pursuant to the decision-making process in Section 819(2).

(2) Congress of Directors Decision-making
The Congress of Directors shall make decisions based upon majority rule, except for decisions for which a different process is specified herein. For specific decisions, the Congress of Directors may adopt a decision process with a higher threshold for agreement than majority rule. A simple majority of Directors must be present for quorum.

(3) Amending the People’s Budget Program
More substantive changes which require a citywide vote work just like agency/department-specific proposals, except that such proposals go to the Congress of Directors instead of to a Citywide Committee. These amendments are included in the City Budget Vote.

Section 820. Citywide Committees

The purpose of Citywide Committees is to receive and synthesize agency/department-specific program proposals from Neighborhood Assemblies and to make proposals regarding the use of special (i.e., non-general) funds. The Citywide Committees shall make monthly reports to the Neighborhood Assemblies.

(1) Formation

The Citywide Committee for a given agency/department is established once one of the following occurs: 1) at least one (1) Neighborhood Assembly in each City Council District approves a proposal specifically focused on that agency/department, or 2) a set of Directors that includes at least one (1) Director from each City Council District calls for the formation of such a Citywide Committee.

(2) Composition and Meetings

Citywide Committees are made up of up to one (1) delegate elected by each Neighborhood Assembly, and zero (0) or more delegates from the appropriate City agency/department. The Committee must include at least one delegate from a Neighborhood Assembly in each City Council District. At most one-third (1/3) of all delegates for each Citywide Committee can be delegates from the corresponding City agency/department. Once elected, delegates to a Citywide Committee from Neighborhood Assemblies serve two-year terms. Elected Citywide Committee delegates can serve a maximum of four (4) consecutive terms. Quorum consists of at least seven (7) delegates from Neighborhood Assemblies. A Citywide Committee votes according to majority rule, until and unless it decides to change its voting procedure to require a higher threshold of agreement.

Citywide Committees shall meet at least once every two (2) months. Their meetings shall be open to the public. The work of the Citywide Committees is supported by People’s Budget Program staff. The City shall make space available for the meetings of the Citywide Committees. Agencies/departments shall share with the Citywide Committees any and all information pertaining to the development and implementation of the budget that they share with the Mayor, City Administrator, and City Council.

(3) Agency/Department-Specific Program Expenditure Proposals

Throughout the year, a Citywide Committee may receive proposals from Neighborhood Assemblies regarding the budget for its particular agency/department. Neighborhood Assemblies may submit proposals on matters relating to the budget of a specific agency/department to the appropriate Citywide Committee. The Citywide Committee shall review the proposals it receives, then select from and synthesize those proposals into a single agency/department-specific proposal to be submitted to the Congress of Directors along with any explanatory materials. The Congress of Directors shall submit all such Citywide Committee proposals to vote at the yearly City Budget Vote. These proposals are voted on in the Departmental Program Expenditures section of the ballot, as described below in Section 822(4)(c). All agencies/departments are encouraged to collaborate with the Citywide Committees and may develop joint budget and/or program proposals to be voted upon in the manner below.

(4) Special Funds Proposals

The Citywide Committee may make recommendations to the Congress of Directors regarding the use of special funds for their agency/department. The Congress of Directors receives all such proposals from the Citywide Committees and shall select from and synthesize them into a package to be voted on at the yearly City Budget Vote according to Section 822(4) (b).

Section 821. Neighborhood Assemblies

(1) Size

Neighborhood Assembly boundaries shall be based on the Census Tract areas as of April 2020. Each Census Tract area will initially be subdivided into Neighborhood Assembly Areas of approximately 2,500-5,000 people. The subdivision boundaries will be determined by Neighborhood Launch Assemblies in each Census Tract area. The Congress of Directors may propose changes to Neighborhood Assembly boundaries and minimum/maximum population thresholds for Neighborhood Assemblies. Proposals will be voted on at the Neighborhood Assemblies during the annual City Budget Vote described below.

(2) Meetings

Neighborhood Assemblies will hold meetings at least ten (10) times per year during ten (10) different months. The first Neighborhood Assembly meetings will be held within one (1) month of the Neighborhood Launch Assemblies. The meetings shall be open to the public.

(3) Public Notification

All Eligible Voters shall be notified of the Neighborhood Assembly meetings in their Neighborhood Assembly Area in a manner determined by the Congress of Directors.

(4) Neighborhood Assembly Decision-Making Process

Although the meetings are open to the public, only Eligible Voters who reside within the Neighborhood Assembly Area are eligible to vote in that Neighborhood Assembly’s decisions. The City Budget Vote does not count as a Neighborhood Assembly decision, since it is a citywide vote.

A quorum of thirty (30) such Eligible Voters who are present at the beginning of the meeting is required for decision making in a Neighborhood Assembly. Neighborhood Assemblies shall make decisions based upon a majority vote. This process can be amended by the Neighborhood Assembly, as long as a quorum of thirty (30) Eligible Voters who reside within the Neighborhood Assembly Area are present for such a vote.

(5) Directors

(a) Election of Directors

Each Neighborhood Assembly shall have between three (3) and five (5) elected Directors to collaboratively administer the Neighborhood Assembly. Inaugural Directors shall serve a one-year term and shall be selected from among Eligible Voters in each Neighborhood Assembly Area. In all subsequent elections after the inaugural year, all Directors shall be limited to serving two-year terms and are eligible to serve multiple, non-consecutive terms. Individuals interested in serving as Directors shall first gather twenty (20) signatures from Eligible Voters who live within the Neighborhood Assembly Area supporting their nomination. Each Neighborhood Assembly shall elect new Directors prior to the end of an exiting Director’s term.

(b) Duties

Directors shall prepare, publicize, and facilitate the Neighborhood Assembly meetings. Facilitation of meetings includes tracking attendance of meeting participants. Directors may delegate these tasks as needed. Directors also serve as stewards of the operating budget of their Neighborhood Assembly as described in Section 821(6).

(c) Training and Leadership Development

The training and leadership development opportunities provided to Directors shall focus on leadership skills and local knowledge. Leadership skills include an

understanding and recognition of anti-oppression principles, facilitation of group decision-making skills, management skills, organization skills, communication skills, and outreach skills. Local knowledge includes an understanding and recognition of current and historical cultural and economic trends in Oakland, the functioning of City agencies/departments, and issues impacting Oakland's budget.

(d) Director Stipends

Directors shall be eligible to receive a stipend of up to \$400 per month for each month of their tenure. The stipend will be made available on an opt-in basis to all Directors at the beginning of their term.

(e) Recall

If a Director is determined to be unable or unwilling to fulfill their duties by a three-fourths (3/4) supermajority vote of the Congress of Directors or a petition signed by a three-fourths (3/4) supermajority of the Eligible Voters of the respective Neighborhood Assembly Area, then that Director shall be removed from their role, allowing their Neighborhood Assembly to elect a new Director to serve for the remainder of their term.

(6) Neighborhood Assembly Budget

Each Neighborhood Assembly shall be allocated a minimum of \$12,400 per year (i.e., \$1,033.33 per month) for meeting supplies and outreach materials. Within this budget, \$2,400 shall be earmarked annually for grants to youth-led projects in their respective Neighborhood Assembly Area. All funds not spent by the end of the fiscal year shall be transferred back to the People's Budget Program Fund.

(7) Meeting Location

For each participating Neighborhood Assembly, the City of Oakland shall subsidize or make available, as needed, at least one (1) meeting space that can accommodate a minimum of fifty (50) people each month. To the greatest extent possible, this space must be within the given Neighborhood Assembly Area. City staff shall work with Directors to identify and secure meeting locations.

Section 822. City Budget Vote

(1) Eligibility and Quorum

In order for a City Budget Vote to occur, the number of Eligible Budget Voters in each City Council District must be greater than or equal to 1% of the number of voters in that City Council District that cast a vote for a mayoral candidate in the most recent mayoral election. If this threshold is not met, the budget is decided by the City Council.

(2) Public Notification

The following minimum public notification practices must be followed in advance of the City Budget Vote:

(a) Notice by mail to all Eligible Budget Voters at least six (6) weeks prior to the City Budget Vote; and

(b) Notice posted electronically, including via major City email lists and prominently on the main City website and other appropriate mass electronic communications.

(3) Ballot Distribution and Voting Procedure

Voting on the budget is to occur during the first week of June. The timing of this period may be changed by the Congress of Directors, with a threshold of two-thirds (2/3) supermajority for the approval of such a change. Sample ballots are to be distributed to all households with at least one (1) Eligible Budget Voter, no later than two weeks prior to the City Budget Vote. During the allotted one-week period, each Neighborhood Assembly shall convene a special meeting dedicated to the City Budget Vote. Each Neighborhood Assembly meeting place shall serve as a polling place.

For the purpose of voting on the City's budget, all Neighborhood Assemblies shall have access to sufficient voting equipment and resources at a similar level provided for other municipal elections.

(4) Ballot Content

The official Ballot shall be designed by the Congress of Directors, with support from People's Budget Program staff and City election officials, and conform to appropriate standards set out in the California Elections Code. The Ballot shall include an explanation of the function of each agency/department being voted upon, prior year allocations for those agencies/departments, and recommendations from Citywide Committees and City Council. The Ballot shall include three (3) voting sections: (1) Allocating General Purpose Funds, (2) Allocating Special Purpose Funds, and (3) Approving Departmental Program Expenditures, described below. The Ballot may also include a fourth section to vote on amendments to the People's Budget Program, if any are proposed by the Congress of Directors.

(a) General Funds Allocation

The Eligible Budget Voters will decide what percentage of the General Purpose Fund will be allocated to each City agency/department. In order for this section of the ballot to be counted for a given voter, the percentages must add up to exactly one-hundred (100) percent. Voting equipment facilitating this validity check shall be provided.

The final result is the average of all the votes. The General Funds Allocation thus decided goes into effect in the second fiscal year after the vote.

(b) Special Funds Allocation

Voters will decide between up to two (2) allocation packages of all funds other than those in the General Purpose Fund. The Congress of Directors may propose an allocation package, synthesizing proposals from the Citywide Committees, and City Council may propose an allocation package.

If two allocation packages are proposed, the final result will be the average of the two (2) packages as determined by the proportion of votes for each. A vote for both is counted as half a vote for each, and a vote for neither is not counted. If only one package is proposed, that will be the

package adopted by default. The Special Funds Allocation thus decided goes into effect in the second fiscal year after the vote.

(c) Departmental Program Expenditure

A third section of the Ballot will determine how the City agencies/departments are to use the funds previously allocated to them from the prior year's City Budget Vote in the immediately following fiscal year. For each City agency/department, this section of the Ballot may include up to two (2) proposals: (1) the agency/department's corresponding Citywide Committee may make a proposal, and (2) the agency/department staff may make a proposal.

The final result for each agency/department proposal is the proposal that receives more votes. If only one package is proposed, that will be the package adopted by default. In the event of a split (50/50) vote, the agency/department staff recommendation wins. The Departmental Program Expenditures thus decided go into effect in the fiscal year immediately following the City Budget Vote.

Section 823. Transparency

The same financial information provided to City Council and the Mayor for the proper allocation of the budget shall be extended to the People's Budget Program including, but not limited to, People's Budget Program staff, officers, and Neighborhood Assemblies.

Notice of Intent to Circulate Petition

Notice is hereby given by the persons whose names appear hereon of their intention to circulate the petition within the City of Oakland for the purpose of promoting civic engagement and making government more accountable, transparent, and participatory.

INITIATIVE MEASURE TO BE SUBMITTED DIRECTLY TO THE VOTERS

The city attorney has prepared the following title and summary of the chief purpose and points of the proposed measure:

A MEASURE THAT WOULD AMEND THE OAKLAND CITY CHARTER TO: (1) AUTHORIZE ELIGIBLE OAKLAND RESIDENTS TO VOTE TO DETERMINE AND ALLOCATE THE CITY OF OAKLAND’S BUDGET; (2) CREATE THE DEPARTMENT OF THE PEOPLE’S BUDGET PROGRAM; (3) ESTABLISH ASSEMBLIES IN NEIGHBORHOODS AND THE ELECTION OF DIRECTORS OF THE ASSEMBLIES; AND (4) CREATE CITYWIDE COMMITTEES TO MAKE BUDGET ALLOCATION PROPOSALS.

This measure amends City Charter section 801, which authorizes the City Council to adopt and allocate the City’s budget, and adds sections 813-823 to City Charter Article VIII to create a process for certain Oakland residents to determine the City’s annual budget (“Residents’ City Budget Vote”). The Measure defines “Eligible Budget Voter” as an Oakland resident who is 16 years or older who attended one of ten “Neighborhood Assemblies” during the past 12 months. Eligible Budget Voters would vote on (1) allocation of General Purpose Funds, (2) allocation of Special Purpose Funds (funds other than those in the General Purpose Fund), and (3) departmental program expenditures. The votes would be tabulated according to a formula in the measure.

This measure would create the People’s Budget Program, a new City Department, to oversee the budget processes established by this measure. This measure creates a People’s Budget Program Fund (“Fund”) and states that the Fund shall be \$11.2 million for the first five years, adjusted annually for inflation. The Fund shall be used to pay for (1) the salaries and benefits of People’s Budget Program staff including one “Coordinator” and two to four full-time “Organizers” for each City Council District, (2) “Neighborhood Assembly” budgets, (3) training and leadership development for “Directors”, “Organizers” and “Coordinators”, (4) monthly stipends for “Directors,” (5) expenses including rent and mailing, and (6) the costs of the City Budget Vote election. After the first five years, the Fund shall be allocated as provided by the measure.

This measure would create: 1) “Citywide Committees” focused on specific agencies or departments of the City or on specific subject matters, 2) “Neighborhood Assemblies” defined as a body of Oakland residents from a geographic area composed of approximately 2,500 to 5,000 people with three to five directors, and 3) a “Congress of Directors”, an executive board of the People’s Budget Program, to oversee program personnel, the program funds, and the City Budget Vote. The Congress of Directors is comprised of all Neighborhood Assembly Directors. Citywide Committees may include representatives from the appropriate City agency or department and would receive budget allocation proposals from Neighborhood Assemblies and create budget proposals for the use of special funds. Neighborhood Assemblies will elect delegates to serve on the Citywide Committees.

This measure would require that each City Council District meet an Eligible Budget Voter threshold before the City Budget Vote can occur. If this threshold is not met, the measure requires that the City Council decide the budget.

Capitalized terms used herein are defined in the measure.

INITIATIVE MEASURE TO BE SUBMITTED DIRECTLY TO THE VOTERS

The city attorney has prepared the following title and summary of the chief purpose and points of the proposed measure:

A MEASURE THAT WOULD AMEND THE OAKLAND CITY CHARTER TO: (1) AUTHORIZE ELIGIBLE OAKLAND RESIDENTS TO VOTE TO DETERMINE AND ALLOCATE THE CITY OF OAKLAND’S BUDGET; (2) CREATE THE DEPARTMENT OF THE PEOPLE’S BUDGET PROGRAM; (3) ESTABLISH ASSEMBLIES IN NEIGHBORHOODS AND THE ELECTION OF DIRECTORS OF THE ASSEMBLIES; AND (4) CREATE CITYWIDE COMMITTEES TO MAKE BUDGET ALLOCATION PROPOSALS.

This measure amends City Charter section 801, which authorizes the City Council to adopt and allocate the City’s budget, and adds sections 813-823 to City Charter Article VIII to create a process for certain Oakland residents to determine the City’s annual budget (“Residents’ City Budget Vote”). The Measure defines “Eligible Budget Voter” as an Oakland resident who is 16 years or older who attended one of ten “Neighborhood Assemblies” during the past 12 months. Eligible Budget Voters would vote on (1) allocation of General Purpose Funds, (2) allocation of Special Purpose Funds (funds other than those in the General Purpose Fund), and (3) departmental program expenditures. The votes would be tabulated according to a formula in the measure.

This measure would create the People’s Budget Program, a new City Department, to oversee the budget processes established by this measure. This measure creates a People’s Budget Program Fund (“Fund”) and states that the Fund shall be \$11.2 million for the first five years, adjusted annually for inflation. The Fund shall be used to pay for (1) the salaries and benefits of People’s Budget Program staff including one “Coordinator” and two to four full-time “Organizers” for each City Council District, (2) “Neighborhood Assembly” budgets, (3) training and leadership development for “Directors”, “Organizers” and “Coordinators”, (4) monthly stipends for “Directors,” (5) expenses including rent and mailing, and (6) the costs of the City Budget Vote election. After the first five years, the Fund shall be allocated as provided by the measure.

This measure would create: 1) “Citywide Committees” focused on specific agencies or departments of the City or on specific subject matters, 2) “Neighborhood Assemblies” defined as a body of Oakland residents from a geographic area composed of approximately 2,500 to 5,000 people with three to five directors, and 3) a “Congress of Directors”, an executive board of the People’s Budget Program, to oversee program personnel, the program funds, and the City Budget Vote.
